

# HOW DATA WILL SHIFT YOUR DEI WORK

## FROM OUR CLIENTS

“ As a leader, I don't know where I would be without the coaching, guidance, support, and insight. ”

“ The assessment data informed all of our organizational goals, not just our DEI goals. ”

“ The A.M. Consulting team was a shining light of guidance and support for our organization. ”

## OUR PROCESS

We measure diversity, equity, and inclusion metrics across four pillars of organizational development: community & culture, policies & practices, capacity building, and wellness.

We explore data across several identity groups.

1 DEI ASSESSMENT

2 DEI REPORT + HIGHLIGHTS

3 EXPERT COACHING
